

# How to Check the Status of an Order Placed as a Guest

1

To check the order status on an online order that was placed as a guest or without logging into your account, scroll down the footer on any page of the site. Under the Orders header, click on Order Status.

2

on the Order Status page, enter the order number in the Order Number field. Then enter either the Email address used to place the order, or zip code for the billing or shipping address used on the order.

The order should appear below the entry boxes, showing the current status of the order.

The screenshot displays the Waytek website's order confirmation page. At the top, there is a navigation bar with the Waytek logo and a shopping cart icon. Below the navigation bar, there are input fields for 'Order Number' (6000479) and 'Email Address or Postal Code' (02127), with a 'Submit' button. The main heading is 'Order #6000479', followed by buttons for 'Email', 'Print', 'Return Request', and 'Reorder'. The 'Order Information' section contains a table with the following data:

Order Number	Status	Order Date
6000479	Processing	4/14/2023

Below the table, there are sections for 'Terms' (CREDIT CARD) and 'Shipping Method' (GROUND R - TDD). To the right, a summary table shows the following values:

Subtotal	\$0.00
Tax	\$0.00
Total	\$385.27

The 'Shipping Address' and 'Billing Address' sections both list the address: Joe1 Purchaser1, 28 DAMMILL STREET, SUITE 300, Boston, 02127, US.

At the bottom of the page, there is a footer with the Waytek logo and navigation links for 'Orders', 'Support', and 'About Us'.
